

9/8

- ✓ return summer math books
- ✓ reviewed Spiral Review
 - check SS 2, 3
- ✓ - SS #4 due Monday
- ✓ - Do last 2 problems Working Backwards, for a grade. Must show work!
 - pg 70 Blue Box; do with partner
 - 24, 25, 26 on pg 70 alone

Spiral Review Trick

$$1000 \times 25$$

$$7200 \div 100$$

$$7500 \div 10$$

When you multiply by a power of 10 (10, 100, 1000, etc) just add the zeroes to the number.

$$1\underline{000} \times 25 = 25,000$$

$$48 \times 10,000 = 480,000$$

When you divide by a power of 10, cross out matching zeroes

$$\textcircled{72} \cancel{00} \div \cancel{100} = 72$$

$$75 \cancel{00} \div \cancel{10} = 750$$

$$\frac{75 \cancel{00}}{\cancel{10}} = \frac{750}{1} = 750$$
