

6th Map Study

How to prepare for the test.

1. Re-read the map sections we covered in class.
(pages M - M1; M4 - M13)
2. Review the worksheets you worked on at home and in class.
3. Know your vocabulary terms:

Northern	latitudes	prime meridian	Africa
Eastern	longitudes	Mercator Projection	Atlantic Ocean
Southern	equator	Robinson Projection	Indian Ocean
Western	America	absolute location	Cardinal directions
parallels	Greenwich	Physical map	political map
Europe	meridians	Contour map	location
Interaction	regions	movement	place
