

When somebody asks you what your spiritual needs are, what do you answer? Some might say: How can I be a better father, mother, spouse, brother, or sister in God's eyes? Others may say: How can I deepen my faith...my relationship with God, my neighbor, and my parish? Yet others may ask how can my church and my faith help me in difficult times?

St. Joan of Arc Parish wants to know what your spiritual concerns are. Your response to this questionnaire will help us prepare for a two-three day Parish Mission in 2010. During this time, a speaker(s) will help us grow in a deeper relationship with God.
