**Parish Scholarship for Active Parishioners**

Saint Joan of Arc Parish offers tuition scholarships for every child of Active Parishioners to offset the actual costs of education in our day school. For the 2020-2021 school year, this scholarship amounts to \$2,675 per student, which increases for multiple students.

Active Parishioners are those who are Roman Catholics registered as members of our Parish, who regularly attend Mass, and who contribute their time as well as their financial support. Offertory contributions at Mass as well as volunteering throughout the year to support the mission and programs of the Church and School, are wonderful examples of your faith in action. Your active participation is also an expression of gratitude for the support your student(s) receives from the many other members of the Parish through their own tremendous generosity.

**Inactive and Non-Parishioners** will pay the full cost to educate a child at Saint Joan of Arc Catholic School.

**Additional Financial Support (NOTE: FACTS application system not yet open – SJA parents will be informed when it is).**

As a faith community, we are committed to providing a Catholic education to every student and family who understands the value of a quality, faith-based education. Our parish has supported that mission since 1960, providing support for every student at the school. For families that, due to financial circumstances, are unable to afford the tuition there may be additional financial support available. To apply, please participate in the exchange of information through **FACTS**, a service we have engaged to assist us in supporting the greatest possible number of students. A link to **FACTS** is included on our school website: <https://www.stjoanofarc.org/>
